

John Gilligan

NEUP Integration Office Director

John Gilligan, PhD is the primary liaison for Nuclear Energy University Program (NEUP) with universities, national laboratories, and industry. He works with the Nuclear Engineering Department Heads Organization, the NEUP Engagement Committee, and other organizations. He is responsible for general policies and procedures for the NEUP program.

Dr. Gilligan is the distinguished university professor at North Carolina State University (NC State) and is the author of over 120 peer reviewed publications. He has been the editor of the Nuclear Science and Engineering Education Sourcebook since 1986 and previously served as University Vice Chancellor for Research and Graduate Studies at NC State. Dr. Gilligan is a Fellow of the American Nuclear Society.
