

Foreign Interest/Ownership

Disclosure

Completing this declaration is a necessary pre-requisite to be considered for an award. All applications failing to submit this declaration will be deemed incomplete.

In accordance with Part V, A.7 of the funding opportunity announcement, the Selection Official will consider foreign interest in an applicant's company or corporation in the selection of application(s) for negotiation of award, where foreign interest is defined as: foreign government ownership, investment, interest and/or influence, as well as foreign nongovernment public, private ownership, interest and/or investment in an applicant's company or corporation.

Foreign interest applies at all levels of the corporate structure, including the executive and board levels, from parent (e.g., trust, holding company, corporation, etc.) to subsidiary, as well as ancillary levels, regardless of the applicant entity's place of incorporation and operation. Moreover, foreign interest includes, but is not limited to, political influence and participation in foreign talent recruitment programs. A foreign government is defined as a non-U.S. government.

Please respond to the following questions regarding foreign interest/ownership in applicant's company or corporation:
