

Josh Peterson

NE Reviewer Database Coordinator, Innovative Research Integration Office

As the NE Reviewer Database Coordinator, Josh Peterson manages, cleans, and ensures the stability of the reviewer pool used by the Innovative Nuclear Research Integration Office. The Integration Office supports the Nuclear Energy University Program under the Department of Energy Office of Nuclear Energy. Peterson uses data-driven solutions to maximize the efficiency of the database that supports the programs, reviews, and reviewers.

Peterson has been with the Integration Office since 2022. Previously, he had worked with C-A-L Ranch Stores as the Lead Data Scientist for their E-Commerce department. Peterson received a Bachelor of Science in Data Science with an emphasis in business analytics.
